

***Introduction of the Members of the National Assembly to the Hajj, their Payment and required coordination in the process***

*The achievements of the State Ministry for Parliamentary Affairs in the first six months of the 1398, Fiscal Year*

**Fifth Achievement**

Based on the order of the President of the Islamic Republic of Afghanistan, each year for each member of the National Assembly the share of the three people is given for the fulfillment of the Hajj pilgrim. Hence, each year the member of the National Assembly or their representatives are introduced to the State Ministry of Parliamentary Affairs by the Speaker of the National Assembly.

In the first six of 1398, Fiscal Year, about 1059 people were introduced for the Hajj Pilgrim in the share of the National Assembly. Based on a systematic Mechanism, these people were introduced to the Ministry of the Hajj and Religious Affairs and were sent to Saudi Arabia for the Hajj Pilgrim. And this is considered a big achievement for the State Ministry of Parliamentary Affairs.
