

***The compile, edit and print of the five year Strategic Plan of the State Ministry for
Parliamentary Affairs***

*The Achievements of the State Ministry for Parliamentary Affairs in first six months, 1398 Fiscal
Year*

Seventh Achievement

Each organization needs to have a systematic and comprehensive strategic plan to determine their activities. The State Ministry for Parliamentary Affairs, in order to achieve its core values, such as strengthening the relationship between the three branches of the state, political stability and better organize the Ministry work, also compiled, edited and printed its five Years (1398-1401) Strategic Plan in order to organize all the activities in accordance with this strategic plan. It is considered a big Achievement for the State Ministry for Parliamentary Affairs.
